

You get them, you said you was  
very lonely by your self, no one to  
cheer you up. I hope you will not  
be lonely always at least I don't  
think you will, you are such a  
beautiful young lady to live lonely.  
You must enjoy your self and  
have a good time while on Earth,  
and when in heaven, rest easy.  
Be sure and keep that kerchief  
around your neck untill you see  
me but always think of the tied  
it there and remember him in  
your prayers and always pray  
for me. Your Lover. Write to me  
and let me know if you ever  
go to the association at Buckner,  
it is of the Baptist Denomination,  
I heard, there will be a large  
crowd expected there that day.
